Dear Mr. Jordan:

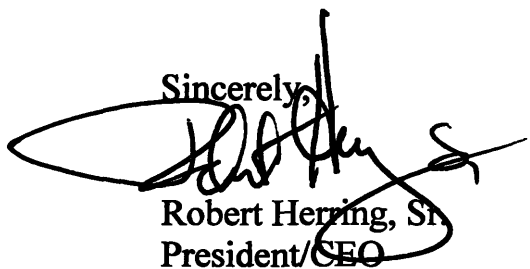

On September 24, 2004 Herring Broadcasting wrote a check to the Associated Students, Inc. in the amount of \$15,000 in support of their organization.

These funds in no way reflect any sort of political contribution on the part of Herring Broadcasting in support of any candidate or any cause. Herring Broadcasting is a supporter of the United States Constitution and the right of free speech, as are many media companies.

Herring Broadcasting has not violated any laws, it has made no political contributions to try and influence the outcome of any election. I would also like to make it clear that I did not individually provide funding for this, nor did I individually make any political contributions to influence any campaigns.

I hope that this response makes clear our position on this matter.

Sincerely,

Robert Herring, Sr.
